LYSANDRE STONE-BOURGEOIS

lysandrestonebourgeois@gmail.com • +81 080-7028-1109 • Chofu, Tokyo, Japan
linkedin.com/in/lysandre-stone-bourgeois

TECHNICAL SKILLS

Programming	Python (proficient), JavaScript, TypeScript, HTML, CSS
ML/AI	TensorFlow, Scikit-learn, XGBoost, NumPy, SciPy, RAG pipelines
Tools & Cloud	AWS (Certified Cloud Practitioner), KiCad, Linux, Git
Languages	English (native), French (native), Japanese (JLPT N3)

PROJECTS

MetaFrame metaframesecurity.com

Founder — Network security appliance with ML-powered intrusion detection

- Designed custom IO carrier PCB for Raspberry Pi CM4 with dual gigabit Ethernet using KiCad
- Developed statistical analysis and ML model achieving 95.82% detection rate against 1.4M+ network flows (CICIDS2017 dataset)
- Built custom barebones Linux distribution optimized for real-time network analysis
- Product launching March 2026 at $60 USD, undercutting competitors by more than 50%

AP-Ally ap-ally.com

Co-Founder & Technical Lead — AI-powered AP exam preparation platform

- Architected custom MCP server with RAG pipeline querying vector database of accredited study materials
- Integrated resources from Kaplan, Princeton Review, and published academic content
- Built full-stack application serving students with accurate, sourced study materials

EXPERIENCE

AI/ML Intern | ScoutOut.ai

Jul 2025 – Aug 2025 • Remote

- Developed ML pipeline using Python, TensorFlow, and XGBoost to analyze real estate market data
- Engineered features from historical sales data to rank properties by investment opportunity
- Built model considering price history, amenities, location factors, and comparable sales

Innovation Program Participant | Harvard Undergraduate Ventures (HUVTSP)

Jul 2025 – Aug 2025 • Remote

- Selected for competitive high school entrepreneurship and innovation academy
- Developed business acumen alongside technical skills in startup methodology

IT Infrastructure Intern | LVMH Watches & Jewelry

Jun 2025 • Toyocho, Tokyo

- Shadowed IT Director learning enterprise infrastructure management for luxury retail
- Gained hands-on experience with back office operations and enterprise IT systems

Data Analyst Intern | Delpha

Jun 2023 – Aug 2023 • Remote

- Cleaned and processed datasets; scraped and transformed data from online sources
- Conducted competitive analysis to support business intelligence initiatives

EDUCATION & CERTIFICATIONS

The American School in Japan | High School Diploma (Expected Aug 2027)

AWS Certified Cloud Practitioner — Amazon Web Services, Jan 2026

- Currently studying for AWS Solutions Architect certification

AWARDS

Top Filmmaker of the Year 2024 — The American School in Japan

- Selective award recognizing exceptional skill in film editing and attention to detail
